Springer Narrow Boat 45FT (Proj
£5,950 VAT Included

Project Boat. This is a 45FT Springer Narrow boat with a V hull. The vessel was fully submerged and recovered. There is a samll hole in the hull under the water line that was the cause. The interior has been removed. This is an ideal project for someone looking to fit out the hull to there taste. The engine is a 2 cylinder lister diesel that had emergency repairs and will start and run. It will need electrical works and a service.
