Immaculate needs to be seen 1993 Fairline SQUADRON 56 / 59 This boat has been maintained to the highest standards from new, the condition is easily the best we have seen, it has a real sense of occasion about it and it actually feels more spacious than a modern 60ft boat.

The engines are twin MAN diesels and are again immaculately clean the engine hours are 1550 per side.

The forward master is very spacious and in very good order, there is an en suite to Starboard, there are two identical mid cabins with separate beds the port cabin has the en suite. The saloon is large and spacious the galley is to Starboard with a large lazerette locker under the floor with a washing machine and huge amounts of storage space. The windscreens have webasto demisters fitted. Navigation equipment is a Raymarine C120 which has been fitted recently. The aft saloon is set to Starboard and very spacious again.

The aft deck is laid with beautiful real teak in fantastic condition and no signs of wear, all the stainless steel detailing on the boat is highly polished and blemish free. There is a large tender capable of towing a skier on the davits.
