

2015 Williams Turbo Jet 325s £18,950 VAT Paid

2015 Williams TurboJet 325 Sport With a 100HP Webber 850 Engine. It has a specification that includes; New 2018 White and Grey Tubes, New 2018 Milan Upholstery. It looks stunning.

The Turbojet 325 will rocket from standstill to 20 knots in four seconds flat and won't stop until the far side of 40 knots. In common with the entire Turbojet range, such performance is made possible by the Webber engine driving through a high performance jet pump system.

The Turbojet 325's spacious layout can accommodate four adults and one child in comfort, with luggage stowed in the forward locker and under the central seat. Her hull length promotes excellent low speed planing ability, giving a supremely stable platform for safe embarking/disembarking.

As with all Turbojets the fuel economy is impressive, giving extended use between refuelling for true coastal cruising capability. A qualified choice for the discerning yacht owner.
