

2007 Starfisher 1060 £74,950 VAT Paid

2007 Starfisher 1060 twin engine flybridge sports fisher/cruiser in absolutely top all round condition and ready for immediate use

Fitted with Twin Yanmar 6LPA Inboard Diesels 260HP each, providing a cruising speed of 18/20 knots and a top speed of around 26 knots. The engines have run for c450 hours, although this may increase a little as the owner wishes to have use of the boat whilst he still owns it.

In current ownership the boat has been updated and the engines fully serviced, all work being carried out in the Autumn of 2018. The owner prepared the boat for long distance trips from it's home berth on the River Crouch, to the Channel Islands for fishing and Holland and the continent for cruising. However, due to family circumstances it will now not be possible for these trips to take place and very reluctantly the boat is to be sold.

This is a great 5 berth cruiser not to be missed. The owner will consider a part exchange so give us a call for more details.

Specification

Stock number:	EB3570
Manufacturer:	Starfisher
Model:	1060
Year:	2007
Price:	£74,950 VAT Paid
Location:	Boats.co.uk HQ, Essex Marina, United Kingdom
