

1988 Fairline Turbo 36 £59,950 VAT Paid

1988 Fairline Turbo 36 Aft Cabin fitted with twin Volvo Penta 61A (306hp) diesel engines. A really well maintained Fairline Turbo 36 motor boat. The current owners have enjoyed extensive cruising on her for 12 years and has maintained to a great standard. She is really spacious and airy with a great aft cabin. The Volvo Penta 61a diesel engines look and sound great and deliver a solid and gutsy performance of 17/25 knots. This model appears to have been very well looked after as you can see from the photos, the gelcoat also looks in fantastic condition for a boat of this age. For pleasure or even a live-aboard, this vessel is perfect. The Radar Arch is on gas struts for those low bridges. This boat is a must see for any serious buyers as we believe there aren't many like this for sale
