

2013 Williams 285 £12,450 VAT Paid

2013 Williams TurboJet 285 80HP. The Turbojet 285 will rocket from standstill to 20 knots in four seconds flat and won't stop until the far side of 40 knots. In common with the entire Turbojet range, such performance is made possible by the Webber engine driving through a high performance jet pump system.
