

1980 Snapdragon 747 £3,950 VAT Paid

New to the market is this Snapdragon 747 bilge keel cruising yacht. A great family cruiser with a surprisingly good interior for its size. She has good headroom for a 24 footer. She is fitted with a Yanmar YSM8G diesel. She offers good accommodation for 5 with a separate heads and galley area. She is a bilge keeler and will take the ground.

Snapdragon 747 's are sturdy, safe cruisers and are ideal as a starter yacht. The bilge keels give a draft of only 2 foot six which enables to explore the shallowest of the bays, estuaries and rivers. Her decks are easy to move around on and her cockpit is deep and well proportioned.
