

2018 Williams Turbojet 285s 100 Hp £26,477 VAT Paid

2018 Williams 285S Turbojet 100HP. A very good looking Williams with optional extras that include; 100HP Turbo engine, Ocean Blue Tubes with White insert, LED cockpit lighting.

A nimble tender that defies its size, the Turbojet 285S is designed to easily fit into the tender garage or bathing platform of most 12m to 16m (39ft to 52ft) yachts. It will take you smoothly to the quayside for supplies or a leisurely bite to eat. But open up the throttle and she'll show you a different side. The sports hull and Textron engine come into their own, carving tight circles or going flat out in secure straight lines for waterskiing bliss.
