

Lochin (Damaged Project) 33 £9,950 VAT Paid

Lochin 33 (Fully Submerged). This Lochin suffered the damage when berthed at its marina and a very heavy storm hit. The engine is a Iveco and is a non runner that is out of the boat. In this incident on viewing of the effected areas it is assumed that all electrics require attention and the hull requires works. As mentioned it is a Lochin that needs to be accessed on site and is sold as is. All offers will be considered.
