

## 2017 Williams Turbo Jet 325 £23,950 VAT Paid

2017 Williams TurboJet 325 fitted with a 80HP Webber petrol engine - Only 10 Hours. features Dark Blue Tubes, Raymarine VHF, Overall cover

The Turbojet 325 will rocket from standstill to 30 knots in four seconds flat and won't stop until the far side of 40 knots. In common with the entire Turbojet range, such performance is made possible by the Webber engine driving through a high performance jet pump system.

The Turbojet 325's spacious layout can accommodate four adults and one child in comfort, with luggage stowed in the forward locker and under the central seat. Her hull length promotes excellent low speed planing ability, giving a supremely stable platform for safe embarking/disembarking.

As with all Turbojets the fuel economy is impressive, giving extended use between refuelling for true coastal cruising capability. A qualified choice for the discerning yacht owner.
