

## 2003 Beneteau Antares 1380 £66,950 VAT Paid

2003 Beneteau Antares 13.80. (Fully Submerged Project) This is a fantastic opportunity to purchase a Beneteau project for a fraction of the cost. This boat ran aground damaging the hull, shafts, props and couplings causing water ingress into the boat via the engine bay and the boat was submerged.

There are associated areas that require attention from the water damage. The Beneteau hull has been professionally repaired to the highest standard and there are no major structural defects from this repair. There are no props, shafts or rudders. There are 2 Volvo TAMD 75EDC engines out of the boat and can be seen running in the workshop. They will require new ECU units. The fuel aluminium fuel tanks are out of the hull in the workshop.

In this incident on viewing of the effected areas it is assumed that all electrics require attention and are not guaranteed. As mentioned it is a 2003 Beneteau Antares 13.80 that needs to be accessed on site and at a fraction of the cost will not disappoint. Please call today for more information.

## Specification

Stock number:	ES3192
Manufacturer:	Beneteau
Model:	Antares 1380
Year:	2003
Price:	£66,950 VAT Paid
Location:	Boats.co.uk HQ, Essex Marina

### Dimensions

LOA:	13.94 m
Beam:	4.3 m
Freshwater Capacity:	640.0 litres

### Engine(s)

Engine Mfr:	Volvo TAMD 75P
Fuel:	Diesel
No of Engines:	2
Engine Power (HP):	960
Drive Type:	Shaftdrive
