

## 2013 Williams 285 £14,950 VAT Paid

2013 Williams Turbojet 285 powered by the Webber 850cc 80hp petrol Jet engine with approx 42 hours. The Turbojet 285 will fire up at a turn of the key and immediately settle into a quiet unobtrusive idle, but throw open the throttle and hold on for a truly exhilarating ride. Powered by a Weber 80hp engine the Turbojet 285 has a level of performance which belies her size. A sports boat hull ensures she will hold tight in turns even if driven hard, and waterskiers will delight in her ability to track in a straight line - altogether an unexpected experience in such a compact boat. Able to carry three adults with ease, the Turbojet 285 can also be used for general ferrying duties making her a great practical tender choice for any yacht. For more information or to arrange a viewing please contact our Essex HQ on 01702258885 or email us sales@boats.co.uk.

## Specification

Stock number:	ES3668
Manufacturer:	Williams
