

## 1979 Westerly 33 Ketch £9,950 VAT Paid

Westerly Ketch 33 fitted with a single Mercedes OM636 42hp 4 cylinder diesel engine. This boat has been out of the water for 6 years now and is being sold due to not being used. The engine did run when in use but will now of course require a service (last service record dates back to 2009) and attention to all rigging and sales is needed. It has been kept here on the Southeast Coast for the past 10 years during the current ownership. The interior is in decent condition and will require very minimal if any attention. For more information or to arrange a viewing please contact our Essex HQ on 01702 258885 or email sales@boats.co.uk.
