

2010 Williams Turbo Jet 325 £8,950 VAT Paid

2010 Williams TurboJet 325. The Turbojet 325 will fly from standstill to 20 knots in just four seconds flat. The entire Turbojet range has such performance made possible by the Webber engine driving through a high performance jet pump system. The Turbojet 325's spacious layout can accommodate four adults and one child comfortably, with available luggage space in the forward locker and under the central seat. The hull length promotes excellent low speed planing ability which gives a supremely stable platform. As with all Turbojets the fuel economy is impressive, giving the ability for extended use between refuelling for endless amounts of fun. Boats.co.uk are the UK's Dealership for Williams performance jet tenders. We specialise in new and pre-owned Williams. Contact Boats.co.uk on 01702 258885 for more information or email sales@boats.co.uk..
