

2004 Bentley Continental GT POA VAT Included

Rare, exclusive and individual. 2004 Bentley Continental GT (W12) with just 14,330 miles. Metallic Silver with Red leather interior. Full Bentley service history by Bentley Hampshire. Always garaged and stored under it's own blanket.

Launched in 2003, the first Bentley Continental GT was an automotive sculpture which drew upon the unmistakable Bentley design DNA. The most advanced technology coursing through its muscular shape. Engineering excellence and supercar performance were at its core, featuring a 6-litre twin-turbocharged 12-cylinder engine in W formation, developed and tuned by Bentley. 550bhp with torque to match. Flying from rest to 60mph in 4.7 seconds (0-100km/h in 4.8 seconds). Maximum speed of over 190mph (over 300km/h). Six-speed transmission. All wheel drive. Supremely assured ride and handling. An object of desire in perfect balance with true luxury. The finest wood veneers. Impeccable hides. And the individuality of Crewe hand-craftmanship. An unsurpassed grand touring tradition..
