- Hard Top

## Additional Information

The pioneering design is evident in abundance throughout this powerful express cruiser, which is superbly equipped, contemporary in style and remarkably light and spacious. The single-level living and galley area can undergo a striking transformation; the roof glides smoothly back, the large side windows drop down, while the aft patio doors slide open to convert the deck saloon into an elegant alfresco environment. By locating the en suite forward of the master cabin, Fairline have taken the full advantage of the 58s huge beam to create a stunning cabin for the that is the largest and lightest of any yacht in this class. The two sumptuously appointed VIP guest cabins also have spacious en suites, both are convertible from twin to double cabins according to preference.
