Sargo 31 31 Explorer
£299,950 VAT Paid

2018 Sargo 31 Explorer fitted with a single Volvo D6 400HP with only 90 Hours. The Sargo 31 Explorer is full of details and technical solutions providing increased opportunities to enjoy a smooth and pleasant ride. Special attention has been paid to ensure the best possible safety and efficiency on board, both when manoeuvring and maintaining the vessel. The enjoyment of the passengers is also considered. The elegant design of the interior; walnut and satin polished steel combined with matching anthracite grey make this boat something very special.

Sargo 31 has a displacement of five tons providing a ride performance that is both effortless and gracious. Yet, the vessel can still reach top speeds of up to 40 knots. The larger fuel tank will deliver a maximum range of 320 nautical miles, whilst delivering an economic performance of up to 1.5L per nm. High specifications as standard, such as a bow thruster, chart plotter, twin diesel hob, hot and cold water system, fridge, teak floor in the wheel house and a lacquered teak interior.
