Additional Information

Manufacturer Provided Description. A luxury motor boat with Broom's renowned, class leading build quality. The Broom 370 has been developed and refined to meet the demands of today's boat owner: for performance, style, economy, environmental awareness and all-round enjoyment. It features the latest materials and innovative design with a generous aft cabin which defies its exterior size. With engine options up to 660hp it also offers effortless performance for cross channel excursions.

The 370 provides four comfortable berths and spacious living for extended periods in a boat which is equally at home at sea or on inland waterways. In addition to two well furnished cabins, stylish saloon and galley, the spacious cockpit is the ideal place for dining and entertaining in style.

Hull Design and Construction

The 370's aft cockpit offers the advantage of a sheltered helm position, without the need to duplicate equipment, which can be opened up in good weather using our easy-fold canopy system.

Wide side decks allow for easy and safe access to the foredeck. It is that extra space for relaxing and entertaining while enjoying the fresh air and the thrill of boating.

The full width transom mounted bench seat and convertible helm and navigator seats provide comfortable seating for up to seven.
