

2014 Williams Turbo Jet 325s £16,950 VAT Paid

2014 Williams TurboJet 325 Sport With a 100HP Webber Engine with only 32 Hours.

Pretty in Pink and with eye catching details this 2014 Williams Turbojet 325 was originally produced by Williams Jet tenders for a Breast Cancer Charity Auction. The customisation and details on this Williams are extraordinary. They include; Tubes (Pink with White detailing), Hull Pink, Topsides Pink, Pink Throttle controls, Direction Bucket, Engine, Teak, Speaker covers, Upholstery. All presented in superb condition.

The Turbojet 325 will rocket from standstill to 20 knots in four seconds flat and won't stop until the far side of 40 knots. In common with the entire Turbojet range, such performance is made possible by the Webber engine driving through a high performance jet pump system. The Turbojet 325's spacious layout can accommodate four adults and one child in comfort, with luggage stowed in the forward locker and under the central seat. Her hull length promotes excellent low speed planing ability, giving a supremely stable platform for safe embarking/disembarking. As with all Turbojets the fuel economy is impressive, giving extended use between refuelling for true coastal cruising capability. A qualified choice for the discerning yacht owner.
