

2014 Williams Turbojet 285s £10,950 VAT Paid

2014 Williams 285 fitted with a Weber 100HP engine. The Turbojet 285 will rocket from standstill to 20 knots in four seconds flat and won't stop until the far side of 40 knots. In common with the entire Turbojet range, such performance is made possible by the Weber engine driving through a high performance jet pump system. The Turbojet 325's spacious layout can accommodate four adults and one child in comfort, with luggage stowed in the forward locker and under the central seat. Her hull length promotes excellent low speed planing ability, giving a supremely stable platform for safe embarking/disembarking. As with all Turbojets the fuel economy is impressive, giving extended use between refueling for true coastal cruising capability. Under seat storage 12v DC Socket Sealed upholstered seating Sports boat hull shape Piped deck drains Speedometer RPM Gauge with digital Hour meter Fuel Gauge Single Lever Throttle/Shift Control Stainless Steel Rear Handles Forward Seat Neoprene/Fabric Grab Handles Engine Flushing Attachment Bow U Bolt Four Lifting Pad-Eyes Ski Eye Two Rear Tie Down Points Automatic Bilge Pump Bilge Blower Battery Isolator Fitted Fuel Tank (42 litres) Hand-made inflatable tube with rubstrake and grab handles A qualified choice for the discerning yacht owner.
