

1982 Vagabond 42 Ketch £29,950 VAT Included

1982 Vagabond 42 Ketch (Water Damaged Project). This Vagabond suffered the damage when running aground. The main damage to the hull is on the starboard side and has had a temporary repair that is still in place. Water has entered the interior and caused water damage throughout, Please note that vessel was not completely submerged.

With all project boats a viewing of the effected areas is recommended. It is assumed that all electrics require attention and the hull requires repair work. The Vetus engine suffered an overheat and is in need of an rebuild / overhaul. The Mast, booms, rigging and sails are supplied with the Vagabond and are unchecked but appear in good serviceable condition.

This Vagabond 42 Ketch is available at a fraction of the cost of a ready to go boat. To arrange a viewing of this Project boat please contact Darren@boats.co.uk on 07717201688.
