

## 2001 Beneteau Oceanis 331 Clipper £17,950 VAT Included

Beneteau Oceanis 331 Clipper (Submerged Water damaged project). This Beneteau suffered the damage when berthed at its marina that resulted in it sinking in fresh water.

On viewing of the effected areas it is assumed that all electrics require attention and the hull requires works to the bow, stern, Rudder, Hull as pictures show. The Mast, boom, rigging are available and are sold unchecked. The interior upon first impression is in good condition, the engine is out of the Beneteau and was first aided and can be seen running. This Project is available at a fraction of the cost of a ready to go boat. If you are seriously interested then on-site viewings are encouraged. The Beneteau must leave the marina when sold and we can help with transport quotations.
