

**1999****Beneteau Oceanis 281 Clipper**  
**£3,450 VAT Included**

1999 Beneteau Oceanis 281 Clipper (Water damaged project). This Beneteau suffered damage to the port side hull. This resulted in the yacht being submerged. The engine is a Volvo diesel that is out of the boat and can be seen running. On viewing of the effected areas it is assumed that all electrics require attention and the hull requires repair. The Mast, boom, sails are available and unchecked but look OK. This Project is available at a fraction of the cost of a ready to go boat. The Beneteau must leave the marina when sold. All offers considered.

For more information or to arrange a viewing please contact Darren on 07717201688

## Specification
