

1990 Sabre 21 £3,499 VAT Included

SABRE 21 PROJECT BOAT: 21 ft boat with a Mariner 75HP 2 stroke petrol engine. The engine and gears are working but the power trim is not. This cuddy boat has a deep vee hull for handling coastal conditions. The Interior space is well thought out. It would benefit from some cosmetic attention inside.

Overall a 21 footer that manages to feel much bigger than she actually is. To arrange a viewing please contact Boats.co.uk on 01702258885 or EmailDarren@boats.co.uk
