Additional Information

Cruising to any destination is what the Squadron 50 will do on your command, thanks to the twin Volvo IPS engines in 650 or 700 engine options. But there is something equally as thrilling at your fingertips. Our first ever Premium Pack option, with a host of specifications including high capacity air conditioning, teak-laid flooring on the flybridge and a submersible bathing platform. This motoryacht is ready to take you places. And take you there in style.
