

## 2019 Hallberg Rassy 412 £204,950 VAT Included

PROJECT YACHT 2019 Hallberg Rassy 41. This is an excellent opportunity to purchase a modern day classic Yacht. The Hallberg Rassy suffered from storm damage to the starboard side of the hull. There was impact damage that breached the hull and water ingressed into the yacht. The boat was not fully submerged. The hull has now been professionally repaired to a high level. It still requires some cosmetic finishing internally and requires rewiring, electrics, mast sail and rigging. The engine is a new Volvo D2 75HP. It has had new upholstery, new windscreen, new joinery also. On site viewings are welcome and encouraged as you will need to see what works are required to finish it off. To make an appointment to view please contact Darren on 07717201688.
