

1961 Chris Craft 18 Continental £38,950 VAT Paid

1961 Chris Craft 18 Continental - INCREDIBLE CLASSIC BOAT - A magnificent example of the Chris Craft Continental - build year 1961. Very well cared for, currently under ownership by Shepherds Boat Sales. A boat that will turn heads wherever she is used - and for all the right reasons. The upholstery is stunning, really setting this boat off and harking back to the "Riviera" era when boats were boats!. The sound of the 283hp Chevy firing up is simply music to any boater's ears yet she will purr along nicely at leisurely cruising speeds without being too thirsty or too noisy. There's a Chris Craft branded mooring cover and a twin axle road trailer available with this boat. She will be serviced before being handed over to her new owners to ensure she is ready to go.
