

1991 Fairline Corniche 31 £29,950 VAT Included

1991 Fairline Corniche 31. This Fairline is being sold as a project boat due to damage to the flybridge and arch. The damage was caused by the vessel impacting a bridge. The vessel has not been submerged and is an ideal project for someone looking at a liveaboard or to go cruising. This has the desirable Twin Volvo TAMD41's Diesel engines that turn and will start and run. It is fitted with an array of navigation and domestic equipment that is untested and is being sold as seen. This is a boat that offers space and comfort in abundance for the berth size. In addition you have the reassurance of classic Fairline build quality. Accommodation is a spacious forward double cabin and a starboard converting seating area that could make up as a berth. You can tell this was a very well maintained cruiser prior to the incident. It offers upper and lower helm positions, a flybridge and cockpit. Ideal as a family boat for use inland or at sea. All offers are considered, There is no survey and the Fairline must leave the marina once sold. To make an appointment to view or discuss an offer please contact Darren on 07717201688.
