1994 Silverton 312 Sedan Flybridge fitted with twin Mercruiser 5.0L V8 petrol engines. We are selling this boat as a project needing some TLC with engines requiring works and some maintenance. Any inspection welcome. Overall we think this boat is in fair cosmetic condition and wouldn't take much to get her into shape. This is a good project for someone looking for a first boat or upgrade to flybridge. We are selling this as a trade price due to works required and this is reflected in the price. Please call Boats.co.uk on 01702 258885 to arrange a viewing or for more details on this Silverton 312.
