

**2016**

## Williams Turbo Jet 325 Sport £14,950 VAT UK TAX paid

2016 Williams TurboJet 325S fitted with a 100HP Textron petrol engine with 45 hours, This is the Sport Edition with the larger 100HP Sport edition with teak to footwells and sidepods, VHF Radio, Stereo and speakers,

The Turbojet 325 will rocket from standstill to 20 knots in four seconds flat and won't stop until the far side of 40 knots. In common with the entire Turbojet range, such performance is made possible by the Webber engine driving through a high performance jet pump system.

The Turbojet 325's spacious layout can accommodate four adults and one child in comfort, with luggage stowed in the forward locker and under the central seat. Her hull length promotes excellent low speed ability, giving a supremely stable platform for safe embarking/disembarking.

As with all Turbojets the fuel economy is impressive, giving extended use between refueling for true coastal cruising capability. A qualified choice for the discerning yacht owner.
