## Additional Information

### KEY SPECS:

Built in June 2022, delivered in Sanremo, Italy on July 22, 2022  
// Currently lying in Sanremo, Italy (Marina degli Aregai, O34)  
// Engine hours: 292 (as of November 1, 2024)  
// Generator hours: 270 (as of November 1, 2024)  
// No damage, groundings or incidents of any sort  
// Currently flying Swiss flag  
// EU VAT paid  
// Serviced in June 2024:  
// New zincs,  
// Fresh antifoul on hull, drives and bow thruster,  
// All propellers treated with Propspeed,  
// Both drives and engines serviced by an authorized Volvo Penta workshop,  
// New impellers, and  
// Generator also serviced, impeller and oil replaced.

### CUSTOMIZATIONS INSTALLED BY PRINCESS YACHTS LTD):

Replaced Raymarine Instruments and Radar with Garmin products (16" chart plotter in lieu of 12")  
// Installed freshwater deck/anchor wash (bow and stern)  
// Replaced electric cooktop with Smeg Induction Hob  
// Installed fully digital chain counter (Quick Italy QNC CHC)  
// Installed electronic safe box in forward cabin.

### ADDITIONAL INSTALLATIONS THROUGH PRINCESS DEALER:

Digital Yacht 4GXtream 4G Antenna and WiFi Router for internet reception up to 25 NM from coast  
// Installed Winia mini washer/dryer (max. load 3,5 Kgs.) in aft cabin  
// Volvo Penta Easy Connect device for real-time monitoring of all engine parameters via smartphone or tablet  
// Volvo NMEA interface for full integration of Garmin chartplotter with Volvo's Engine Vessel Control (EVC) System  
// Replaced standard batteries with a pair of Victron AGM Super Cycle Batteries with a usable capacity of 340 Ah (instead of standard 125 Ah)  
// Replaced standard Mastervolt charger with one Victron MultiPlus 230V Inverter/Charger rated for 3000VA and 120 A. The inverter powers all electric outlets in the boat, all USB charging points as well as the washer/dryer  
// Installed a Victron Cerbo GX communication-centre to remotely monitor the boat's electrical system, all electric loads (DC and AC), control the generator via on-board screen, Garmin chartplotter, iOS app or desktop application  
// The Victron system fully manages all the boat's electric loads and turns the generator on or off automatically depending on the batteries' state of charge (SOC)  
// Added 6 extra 230V outlets with double USB-C charging points (3 in cockpit and 3 below deck)  
// Added a Schenker Pick & Drink water filter in cockpit to supply boat with drinkable water  
// Replaced standard Lewmar Delta anchor with a high-performance 21 Kgs. Ultra Marine anchor with self-righting swivel (June 2024)  
// Added 30m of 8-mm anchor chain for a total of 60m  
// Scanstrut exterior splashproof power point at helm (1x USB-A, 1x USB-C)  
// Added Apple Airplay capability to the Fusion stereo through the onboard WiFi network
