Additional Information

Having a fixed roof for permanent protection from the elements, this boat boasts many features for active relaxation and fun on the water. The V10 features a modern open-bow center console design allowing the complete walk-around experience and security. The deck allows up to 8 people to relax or be active in ultimate comfort. The bow features a double sunbed with cupholders, while aft, there is a flexible seating area on top of spaciouly designed storage lockers. The area can be configured as either benches individually facing forward or backwards with the table in the middle raised, or as a comfortable sunbed with the table lowered. The twin drop-down sundecks are a key feature of this boat, allowing the boat to opened up when at rest forming an enormous space to entertain around the teak dining table, or just relax. Operated at the touch of a button they allow great flexibility of the entertaining space aft and definitely deliver the “Wow factor”.

Between the helm and the aft seating area, covered from the elements by the fixed T-top, is a galley generously equipped with two refrigerators, electric barbeque/grill, sink and wet bar. Below decks is a double cabin including a wardrobe, generous lockers, and a bathroom with toilet and wash basin. There is a shower on deck to wash down after swimming.
