

2010 Williams Turbojet 285 £7,450 VAT UK TAX paid

2010 Williams 285 TurboJet - with the Weber engine, the Turbojet 285 has a level of performance which belies her size. A sports boat hull ensures she will hold tight in turns even if driven hard, and waterskiers will delight in her ability to track in a straight line - altogether an unexpected experience in such a compact boat. Able to carry three adults with ease, the Turbojet 285 can also be used for general ferrying duties making her a great practical tender choice for any yacht.
