

1999 Beneteau Flyer 920 Viva £15,950 VAT UK TAX paid

Project Boat - 2000 Beneteau Flyer Viva 920, 4 berths in two cabins, shower, sea toilet, pumped water system, fridge, cooker etc. Twin AD41P engines full service by Volspec 2019, including both legs off and taken for full seal and rebuild, serviced regularly since. New batteries, turbo charger, full electric overhaul. New electric trim tabs all fitted in last (5 years). Full survey 2022. New propellers (2 of 4) 2022. Further New battery 2025. Nice internally, externals looking tired needs a good clean and polish. Bimini ok, no other covers hence outside needs clean and polish. The boat has some small issues, hence sold as project. Throttle controls, small plastic clips snapped and were replaced but haven't been put back together correctly and only selects reverse, needs adjustment. Also battery charger has been removed for repair and as such no shore power or direct battery charging. Replacement bought but not yet fitted. Finally, the port engine is showing high temperature on the gauge. this looks like a fault with the sender or possible the thermostat. Both engines run well. Boat not used for around a year, so will need recommissioning/cleaning, but really good project and cheap boat for someone. For more information please contact boats.co.uk on 01702 258885 or email sales@boats.co.uk

Specification

Stock number:	EB5520
Manufacturer:	Beneteau
Model:	Flyer 920 Viva
