

## 2014 Princess V62 S £999,950 VAT UK TAX paid

2014 Princess V62-s with Seakeeper Stabilizer - The Princess V62-S incorporates all that you need for extended family cruising whilst also providing one of the most exhilarating driving experiences to be found in this class. This particular V62-S is no exception. With a total of 2,300hp delivered from her Caterpillar engines, she will climb effortlessly to speeds in excess of 35 knots and cruise comfortably at 20 to 25 knots. We present this excellent example of a timeless model. She boasts many upgrades such as her gyroscopic stabilization, custom grey paint to the hull, all the usual features of a "Med spec" boat - Hydraulic passarelle, Hydraulic high/low swim platform, reverse cycle air conditioning and additional warm air heating system. If you are interested in the model of Princess then we strongly recommend you arrange a viewing to appreciate the accommodation and features that this boat has to offer.
