Meta Yachts globe troller

£378,000 VAT Included

Meta Yachts hull built in 2008 and cabin in Strongall (thick, self-supporting aluminum). Olbia shipyard completed the rigging and the interior in 2022. This boat unique model and originally belonged to the naval architect JP Bruns. The hull constructed in Strongall is practically indestructible and does not age. Since Meta no longer exists, this type of Strongall construction can no longer be produced today, making this boat not only unique but impossible to replace.
