FOR SALE – 1981 STEFINI 60 (PROJECT OPPORTUNITY)

A rare chance to acquire a Stefini 60 that has undergone a partial quality professional restoration by one of the UK's leading marine refit specialists. Much of the major work has already been completed to an exceptional standard, with extensive documentation and receipts available to verify the investment made so far.

This yacht represents an outstanding foundation for anyone looking to complete a premium blue-water cruiser to their own specification. The scale and quality of the refurbishment already carried out make this project well worth viewing, and serious interest is strongly encouraged.
