

2025 Princess F65 £2,999,950 VAT Excluded

Arriving to Cala D'or soon - 2025 Princess F65 is about as close as it gets to buying new, without the wait. With only 70 engine hours on her twin MAN V8 1200s, she's barely run in and presents in beautiful condition. She's also fitted with stabilizer's, so whether you're cruising or sitting at anchor, everything feels smooth and comfortable — exactly what you want for longer days out or trips further afield. Inside, the space feels bright and open thanks to the large panoramic windows, giving you that proper connection to the sea even when you're indoors. The 4-cabin, 3-head layout is practical and well thought out, easily accommodating family and guests without feeling tight. It's a nice balance of clean, modern finishes and a layout that actually works for real use, whether it's a weekend away or something longer. Up top is where she really comes into her own. The flybridge is set up for easy entertaining, with a grill, plenty of seating, and enough space for everyone to gather without feeling crowded. Between that, the aft cockpit, and the foredeck lounging area, there's always a spot to relax or host. Overall, she's a very easy yacht to enjoy — sociable, spacious, and in near-new condition, ready to go for the next owner.
