

2001 Fairline Squadron 58 €429.950 VAT EU TAX paid

2001 Fairline Squadron 58 with twin Caterpillar Diesels and shaft drives - only 700 hours – A timeless British-built flybridge motor yacht renowned for its exceptional build quality, elegant styling, and impressive sea-keeping. Designed by Bernard Olesinski, the Squadron 58 offers luxurious accommodation, spacious entertaining areas, and outstanding performance, making her equally suited to extended cruising or weekends away.

The spacious flybridge provides ample seating, a wet bar, and commanding helm position, while the aft cockpit and large bathing platform create the perfect setting for relaxing or entertaining. Inside, the light-filled saloon features premium timber joinery, comfortable seating, and a well-equipped galley.

Below deck, the yacht offers comfortable accommodation for family and guests with a full-beam owner's cabin, forward VIP cabin, twin guest cabin, crew cabin together with generous storage throughout.

Powered by twin diesel Caterpillar engines with shaft drives, the Squadron 58 delivers confident cruising performance and dependable handling in a wide range of sea conditions. Her deep-V hull and renowned Fairline construction ensure a smooth, stable ride whether coastal cruising or making longer passages.

Additional Information

Located in Torrevieja, Spain, offered in excellent condition following a complete interior refurbishment and extensive upgrades throughout the vessel.

This yacht combines classic Fairline craftsmanship, spacious flybridge living and strong performance, powered by twin Caterpillar diesel engines with low hours. The vessel has been meticulously maintained, with full documentation and invoices for maintenance and repairs.

The yacht is British flagged, Spanish taxes paid, and MCA registered and charter compliant, making it ready for commercial use if desired. Importantly, the boat has never been chartered, only prepared to comply with charter regulations.
