

2004 Fletcher GTO 19 £7,950 VAT UK TAX paid

FOR SALE – 2004 Fletcher 19GTO (PROJECT BOAT). A rare opportunity to acquire a highly regarded British sports boat, offered as a project vessel following submersion and recovery. Fletchers are well known for their performance, handling, and build quality, making this an excellent foundation for someone looking to complete a rewarding refurbishment. Powered by a 1.7L Mercruiser Diesel, the engine will start and run, but a full engine and drive service is strongly recommended before returning the boat to regular use. The boat would also benefit from a general cosmetic tidy.

Layout & Features:

Spacious, sociable cockpit with twin helm seats

U-shaped aft seating ideal for family days out

Well-protected windscreen

Forward cuddy cabin with double berth

This Fletcher represents a great project for someone with the time and enthusiasm to bring a classic sports boat back to life.
