- HULL POLISHED AND ANTIFOULED

Additional Information

A Flagship Model of Its Era

When launched, the Phantom 46 sat at the top of Fairline's flybridge range. It quickly became one of the most desirable 46-foot flybridge cruisers on the market thanks to its huge internal volume, excellent sea-keeping, and high-end Fairline craftsmanship. Key design highlights include:

A deep-V hull offering superb stability and comfort offshore

A wide beam of 14ft 2in (4.32m) creating generous cabin and saloon space

A large, sociable flybridge with dual seating areas

A full-beam master cabin—rare for boats of this size at the time

The Phantom 46 is widely praised for being a “proper” family cruiser with three genuine cabins and a layout that still feels modern today.

Accommodation

Accommodation - 6 BERTHS IN 3 CABINS.

Master Stateroom forwards with an island double berth (with drawers underneath), storage shelves and cupboards either side of bed plus a large hanging locker. Opening port lights and emergency access hatch to foredeck.
