**£38,950 VAT UK TAX paid**

FOR SALE; PROJECT NARROW BOAT: Collingwood 60ft Narrow Boat (FIRE DAMAGED). A superb opportunity to purchase a Collingwood Boat Builders 60ft Narrow Boat offered as a project vessel following a fire contained to the cockpit area and engine compartment. Structurally, the boat appears sound, with the heat and smoke damage to the galley area and no obvious hull distortion. There is smoke damage throughout, and a full inspection is recommended and welcomed. Despite the damage, this vessel retains a high spec reverse layout interior that, once restored, will make for an exceptional narrowboat. Key Specifications / Builder: Collingwood Boat Builders / Length: 18.491 metres (60ft 8in) / Beam: 2.064 metres (6ft 9in) / Draft: 0.686 metres (2ft 3in) / Construction: Metal hull / Engine: Canaline 42HP – mechanically sound and running / Interior & Features (Pre-Fire Condition) / Reverse layout fit-out in walnut surround / Lift-up TV with surround-sound cinema system / Purple high-gloss galley with white quartz worktops / Black quartz tiled flooring / Water-filled underfloor heating throughout / Walk-through bathroom with shower, toilet, sink and blue quartz floor tiles / Double bedroom with built-in wardrobes and drawers / Mastervolt inverter/charger. Not tested and as seen.

A Fantastic Project Opportunity, Collingwood narrowboats are highly regarded for their build quality and modern layouts. With its premium interior specification and mechanically sound engine, this vessel represents a brilliant project for someone looking to restore a high-end narrow boat to its former glory.
