2022
SAY 42
€584.950 VAT Excluded

Built by SAY Carbon Yachts, she combines lightweight carbon fibre construction with the unmistakable power of twin Volvo Penta V8 engines. Responsive acceleration and precise handling create an engaging driving experience, while the lightweight construction contributes to the efficiency and agility for which the SAY 42 is known.
Designed for Mediterranean day boating, the open layout offers generous space to relax and socialise on the water. The spacious cockpit provides comfortable seating and an effortless connection between the different areas on board, while a private cabin with bathroom below deck adds convenience for longer days at sea.
The distinctive exterior in “Storm Grey” is complemented by new upholstery in “Lava Orange”, creating a striking contrast and giving this 2022 SAY 42 model its individual character.
Currently lying in Cala d'Or, Mallorca, this yacht is available for private viewings 7 days a week.
