1979
Island Plastics 24
£18,950 VAT UK TAX paid

A great opportunity to own an Island Plastics IP24, a well-regarded traditional GRP fishing boat offering a practical and capable platform for commercial or recreational fishing.
The IP24 is known for its substantial fibreglass construction, traditional hull design and versatile working layout. At approximately 24 feet, it offers a useful combination of manageable size, working deck space and practical fishing capability.
This particular example has a cabin for 2 berths, a Raymarine radar and Plotter, a Lowrance Fishfinder.
The engine set up is a single Beta Marine diesel with a shaft drive.
Ideal for someone looking for an inshore fishing boat, whether for potting, creeling, angling or general coastal work.
