2014
Brig Navigator 610
£9,950 VAT UK TAX paid

2014 BRIG NAVIGATOR 610. (PROJECT RIB). Fitted with an Evinrude 150HP outboard engine. Offered for sale as a project boat, presenting an excellent opportunity for someone looking to complete and recommission a quality RIB at a sensible price.

This BRIG was previously involved in a grounding incident and sustained hull damage. The hull has since been professionally repaired to a very high standard, with the structural repairs completed. The Evinrude 150HP engine is reported to be running and operational.

The vessel now requires attention to the electronic systems and is therefore being sold strictly as a project. The boat is available for inspection on-site and prospective buyers are encouraged to satisfy themselves as to the extent of any remaining works required.

Key Features
2014 BRIG Navigator 610
Evinrude 150HP outboard engine
Hull professionally repaired following grounding damage
Engine running and operational
Electronics and electrical systems require attention
Excellent project opportunity
Suitable for refurbishment, recreation, or commercial use
Viewing and inspection welcomed

This Brig Rib is offered for sale as seen and is priced to reflect its project status. We strongly recommend interested parties undertake their own inspection before purchase.
