2022
English Harbour Yachts EH16
£79,950 VAT UK TAX paid

2022 English Yacht Harbour EH16 with a single Torqeedo Cruise 12.0FP 25 HP electric motor and pod drive.
A bespoke gentleman's launch, where timeless elegance meets modern innovation.
'Alice' began life as a blank canvas, accompanied by an owner with a clear vision: to create an elegant, traditionally inspired bespoke tender worthy of her mothership, Wonderland.
Working in close collaboration with the client and designer, English Yacht Harbour turned to Elephant Boatyard on the River Hamble, Swanwick to bring that vision to life, transforming the original hull into a truly distinctive gentleman's launch, featuring state-of-the-art, fully electric propulsion.

Every aspect of 'Alice' was individually designed, handcrafted and meticulously finished by a skilled team of boatbuilders. From her beautifully laid teak decks and bespoke seating arrangement to her engraved dashboard, exquisite chrome detailing and luxurious quilted cushions, no detail was overlooked.
The result is a small but perfectly formed launch that effortlessly captures the charm and sophistication of a bygone era, while embracing contemporary design, innovative technology and modern electric performance.
A truly bespoke creation, 'Alice' is a celebration of traditional craftsmanship, considered design and attention to detail — an elegant companion to Wonderland and a little boat with an unmistakably big personality.
Now available for the next owner enjoy, the boat comes with the trailer pictured for easy storage and transportation.
